

ZERO CHILL UNITS

YOUR ZCU WALLET IN 5 EASY STEPS

Never used crypto? **No problem.**

Grab your phone, a pen, and paper. About 3 minutes. Kaya mo 'yan!

Start at mobile.honest.money

1

Tap "Create new wallet"

Scribble on the screen with your finger when it asks. Any drawing is fine.

2

Write your secret words on paper

Copy all 24 words in order. Keep the paper safe at home. Then set a password for your phone.

3

Turn on Zero Chill

Tap **Settings** → **Chains**, scroll to the bottom, flip the switch next to **Zero Chill (ZCU)**.

4

Tap Receive, then Copy address

Go to the home screen, swipe to the **ZCU** card, tap **Receive**, tap **Copy address**. It starts with **0x**.

5

Paste it in your ZCU dashboard

Open the **Rewards** tab, paste your address in the ZCU address box, and save.

Already have an Honest Money wallet? Skip to step 3.

THE ONE RULE

Secret words = PRIVATE. Never share. Never type them into any site or chat.

0x address = SAFE to share. That's all the dashboard needs.

Nobody from Zero Chill or Honest Money will ever ask for your secret words. Huwag ibigay kahit kanino.
